David J. Bradley, Clerk of Court

vs

Civil Motion #: 4-18-CV-
01652

Brian Collier, et al.,

Dear Mr. Bradley,

12/11/18

Earlier I sent I-60's to the court that I had sent to Grievance Dept. that refused to give me copies of evidence that I need.

I sent I-60 to medical for copies, refused.

I sent I-60 to Law Library like Asst.

Warden Patrick said for copies. I was told that because I am indigent and unable to pay for copies that I cannot get them.

I sent a letter to Texas Tech. at Alameda Unit about the 2 times I was tested for allergy to blankets about 2002 with no response.

About 11/13/18, at night I got cold so I used the blanket to cover only my feet for about 3 hours. I itched very bad about 3 days. I got sores from my thighs down to my feet. I wanted to make sure it was the blankets causing the problem. I + VHS!!

About 11/17/18 I put in to see provider but was not seen until 12/10/18 after most sores healed.

I showed provider, some of the sores that had not healed over the last 26 days or so. She ordered me medication but again I was denied an extra sheet or blanket. It took 3 or 4 sick calls before seeing her.

Mr. Bradley, Friends at the Law Library helped me doing the "Motion for counsel" but I got conflicting information about what to do about Discovery since I am unable to obtain most of the evidence since I am indigent and no way to pay for copies. I try to read the law books but understand very little of what I read. Evidence is deliberately being withheld from me because of this.

I have a lot of evidence in my possession but am unable to obtain most. I assume the subpoenas were denied.

I also wrote both Warden's but got no response from either. Praying for Legal Aid.

"Merry Christmas"

"Happy New Year"
